How to Use This Preen Product

Use Preen® Brush Weed Killer for spot treating over 200 weeds. For best control of the brush and broadleaf weeds listed on the label, spray each plant until it is wet.

This product may be applied in residential or suburban areas including:

- along fences, driveways, parking areas, and roads
- on vacant lots, yards, lawns and fringe areas
- around buildings, patios, houses, and areas associated with household or home life.

For best results, apply when brush and broadleaf weeds are actively growing. Do not water within 24 hours of application.

Be careful not to spray this product in a manner which will allow drift of the spray onto desirable broadleaf plants such as tomatoes, grapes, flowers, ornamental plantings, shrubs, and trees.

Controls

Preen® Brush Weed Killer controls over 200 species of brush, vines, and broadleaf weeds including:

Brush:	Birch	Black locust	Cedar	Elm	Honeysuckle	Multiflora	Poplar	Sycamore
Ash	Blackberry	Brambles	Cottonwood	Gooseberry	Kudzu	rose	Pine	Wild plum

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment area until spray has dried. Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

Use Precautions

- Do not allow spray to drift onto vegetables, flowers, ornamental plants, shrubs, trees and other desirable plants since injury may result.
- Avoid fine mist sprays. Coarse spray droplets are less likely to drift and cause damage to nontarget plants.
- Do not spray roots of desirable trees and shrubs.

Warranty

The Distributor warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Distributor, and Buyer assumes the risk of any such use.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wear goggles when applying this product. When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves.
After using this product, rinse gloves before removing, remove clothing and laundry separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible and shower.
